"To: Oregon Leaders,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

I'm hoping you will stand up in favor of the Bay Area Hospital.

As a physician in this region who also volunteers to take call for Bay Area Hospital and as a patient who uses the hospital services, I cannot stress enough the importance of Bay Area Hospital staying strong for our coastal Oregon community.

With regards,"
