HB4075

"Hello Treasurer Steiner and Legislators,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

We're counting on you to help support the Bay Area Hospital!

Sincerely,"
