2026-302

Measure, Appointment or Topic: SB1599

Over 250,000 of us signed a petition to get this referendum on the ballot for November. Elected officials ignoring the voices of those they represent is wrong. We voted for representation. We signed a petition and followed the proper procedures to have our voices heard. Changing this referendum is a slap in the face of the citizens of Oregon that you claim to represent. Keep this referendum on the November ballot.
