

Submitter: Andy Hardwick

On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

Apparently our Governor thinks that she can try to manipulate the system. 250,000 Oregonians said no to 2991 and demanded a vote on it. She does not seem to think that those same people will recall her for this kind of dirty tricks. The people have spoken, let them vote in the November election like the petition says. The people are watching.
