

Submitter: Steve Miller

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1541

Dear Chair Golden, Vice-chair Nash, and Members of the Committee,

For too long, Oregon residents have had to pay the bills for cleaning up after irresponsible corporate polluters. Cleanup costs of polluted project sites and abandoned infrastructure should no longer be borne by taxpayers, but polluting corporations should be required to build their cleanup costs into their developments, with secured cash bonds to do that work!
