Measure, Appointment or SB1593  
Topic:

Oregon's liability laws are threatening the existence of the sport in this state, as well as threatening the companies that operate them, making them vulnerable to corporate takeover. I am writing in strong support of this proposition and urge you to pass this bill.

I especially support this with an amendment to include youth waivers signed by a parent or guardian.

SB 1593's proposed changes to Oregon's waiver enforceability would reduce costs, create greater certainty for small organizations, and protect access and opportunity for outdoor recreation lovers and stewardship volunteers alike.

Please amend the bill to include youth waivers as we place high value on families recreating and participating in stewardship activities together.
