Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

Oregonians are struggling right now , especially people on fixed incomes , but this state always wants more money . This government needs to learn to manage thier budget better . Tax payers shodnt be paying for illegal immigrants . If it wasn't for this the state would have money for thier shortcomings. We signed the petition to have this on the next regular election, but Tina is sneaky and conniving and is trying to slip this in early voting when the turn out is less .
