Measure, Appointment or SB1599  
Topic:

The purpose of this bill is to falsely claim an emergency and move this matter from the November 2026 General Election to the May 2026 Primary Election.

Over 250,000 registered Oregon voters signed a petition to repeal the Department of Transportation Special Session bill by placing it on the November 2026 General Election.

This bill claims that there is an emergency this allowing the date to be changed from November to May of 2026.

The only emergency is both Governor Tina Kotex and many Democrat candidates DO NOT want this bill on the same ballot as they are in November. This is strictly a political issue, no emergency exist.

250,000 Oregon voters WILL REMEMBER TO THE GAMES BEING PLAYED come the November General Election.
