Measure, Appointment or Topic: HB4113

Central Oregon is slowly being eroded by greedy developers who have no interest in preserving its beauty. Our water systems, wildlife habitat and corridors are being destroyed. What once was a clean and healthy environment is now ruined by urban sprawl, creating noise, light, and ground pollution .

PLEASE, preserve what beauty we have left so our children and generations to come can enjoy what we know as home.

OPPOSE HB4113.

Sincerely

Celeste Carico
