I was one of the volunteers to get more than 200k signatures for the NO-Tax measure to be voted on in November. This is what Gov. Kotek's deal was to us, and she expected us to fail. Now Ms. Kotek and the liberals want to move the goal posts again?

Let me be very clear on this..... NO..... She/they made a deal now stick to it.

I am calling on each of you listed in this email to represent all Oregonians and make this November ballot stick. We the people have had enough of the Democratic rule in this State.

At what point does it start to look suspicious that the Democrats have held the majority control in this State ever since mail-in voting was adopted?

With as much respect as I can muster,
