

Submitter: Carolyn Guidry

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or Topic: SB1541

Dear Chair Golden, Vice-chair Nash, and Members of the Committee:

Fossil fuel companies must help pay for the mess they are making. I support the creation of the Climate Resilience Superfund so that we can hold polluters responsible for the havoc that climatic changes are causing. Please pass SB 1541.

Thank you,
