2026-302

Measure, Appointment or  
Topic: SB1599

We the people, the signatores of the petition to place the Referendum petition 2026-302 , opposing the billions in gas and other taxes, on the November 2026 ballot, did not authorize any legislative modification to the ballot date and due hereby demand that date not be changed in an underhanded attempt to change the will of the people.
