Measure, Appointment or SB1599  
Topic:

It is difficult for me to use the word Honorable when addressing testimony to our State Legislature given how it has conducted itself over the past several years.

I am 84 years of age and was born and raised in the Rogue Valley. My ancestors helped settle this area starting before Oregon was a state.

Some call you're maneuvering of the election date on this measure Gamesmanship, I call it downright skullduggery.

Your corruption and disregard for the laws of this state and the welfare of its citizens is showing and I don't know how you will be able to shed those scales. You certainly aren't a representative body of citizens or for citizens. Many of you speak of Democracy and I don't want Democracy as it is close to mob rule and could go by the name of Mobocracy. A republic of representative rule would not get away with these tactics and just maybe you won't either.
