"TO: State Treasurer and Lawmakers,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please support local healthcare access and act to save the Bay Area Hospital!
