Measure, Appointment or Topic: SB1599

I oppose SB 1599. My understanding, after collecting hundreds of petition signatures as a PCP, was the measure would be placed on the November ballot. If placed on the May midterm election ballot, traditionally low voter turnout will affect the outcome of the measure. I support putting SB 1599 on the November election ballot, and ONLY on the November ballot. No one, I'm sure, wants to be accused of voter disenfranchisement.
