Measure, Appointment or SB1599
Topic:

I OPPOSE SB1599--moving the vote for the referendum to May instead of November! I have circulated petitions many times over the years, and every aspect of how they are signed has to be perfect. The language of the referendum has to be present, etc. The language of the petition I signed was for a vote in November. How dare the corrupt politicians, and governor of Oregon do this to us? There is no rule of law in Oregon. Citizens were elated when the signature drive went so well, they believed the 'system' was finally going to bring justice. Now we have Wagner quoted as saying, "Is it political? For sure." Here is the lousy thing--I don't believe if 250,000 of us use this platform to say we OPPOSE SB1599, that it would matter. On behalf of myself and a lot of other frustrated, hopeless Oregon voters, please have the guts to do the gas tax vote in November like the legal language of the petition says it will be held.
