Measure, Appointment or SB1599
Topic:

Good day. My name is Mike Ervin and I live in Prineville. I am a voter and I have voted in every election for as long as I can remember.

I am very much OPPOSED to moving voting on the tax referendum from November to May, 2026.

On the Referendum Petition, approved by your own Secretary of State, It says very clearly, 2026-302 November 3, 2026 General Election.

This is purely a political tactic, as admitted by your Senate Leader, to move an unpopular bill away from the same ballot as our unpopular Governor. What are you afraid of?

250,494 voters signed petition 2026-302 expecting to vote on it in November.

Regards
Mike Ervin
