

Submitter: Travis Storelli
On Behalf Of:
Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or SB1599
Topic:

I oppose SB 1599 because it moves a voter-initiated referendum from the November general election to the May primary, reducing turnout and excluding large portions of the electorate. Changing election timing after petitions were signed undermines trust in Oregon's referendum process and appears designed to influence the outcome rather than respect voter intent.
