You scumbags have no shame. First you try to pass the first transporation bill without a vote (any tax increases should be put to a vote), then Koteck tries to repeal it when 250000 signatures are gathered to place it on the November ballot. Knowing she's going to lose this one, she tries to move it to the May Ballot so if doesn't end up next to her reelection bid. Despicable... you need to stop meddling and leave it for the November ballots. And y'all have the nerve to call conservatives cheaters. Oregonians need to remind all of you who you answer to come November when we vote y'all out of office. Sincerely, a pissed off tax paying citizen...
