HB4075

"To: Oregon State Treasurer and Legislature,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and the loss of 97 full-time jobs and \$9.1 million in local wages.

Please support local healthcare access and act to save the Bay Area Hospital!

With regards,"
