HB4075

"Dear Oregon Leaders,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

Failure to act at this point will result in a number of preventable setbacks, including the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please support local healthcare access and act to save the Bay Area Hospital!

From,"
