Hello,

I, and my kitten Olive, who is desperately and adamantly trying to help me type, strongly oppose HB4113. This is blatant greed outside urban growth boundaries. Sham on anyone supporting this, which my understanding is the self-serving developer. The development 'opportunity' expired FIVE TIMES. This land is set aside to protect FARMS, FORESTS, OPEN SPACE AND WILDLIFE. As my legislator, you are to listen and represent my opine. I trust you will follow through with your oath and support FFOS&W.

Thank you in advance for opposing HS 4113,

Best,

Respectfully,

Gwen
