

Submitter: Niall Carroll

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1541

I support the creation of the Climate Resilience Superfund, to hold polluters accountable by making the large, out-of-state fossil fuel companies pay their fair share. Pass SB 1541 and finally make these polluters pay for the damage they've done to communities across our state.
