"Attn: State Treasurer Steiner,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

Failure to act at this point will result in a number of preventable setbacks, including the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please do what you can to save the Bay Area Hospital.

As a long time employee in labor and delivery, and an advocate for caring for the most vulnerable members of society, I strongly support this plan which will help ensure safe care for the women and children in our community.

Sincerely,"
