Committee: Joint Special Committee On Referendum Petition
2026-302
Measure, Appointment or SB1599
Topic:

Respectfully,

I oppose the move of this petition from the general election in November to the primary election in May.

It appears as if there is a deliberate attempt to hide this petition from the citizens of Oregon.

Why would that be?

Considering the number of citizens aware of this initiative, it would not reflect positively on the legislature to pass this measure.

Thank you for your time,

Kim Koopman, Terrebonne, OR
