I absolutely appose this bill being placed on the May 2026 ballot as I personally signed the repeal to have this vote put on the November ballot! Why would the Oregon Senate try to go against something we legally signed and won specifically to be able to vote for this on the November 2026 ballot? I vote for this bill to be placed on the November 2026 ballot to give Oregon voters exactly what we fought so hard to have. This feels extremely wrong. There is a reason these processes are in place. Please consider what we Oregonians have stood up for and against. Thank you
