HB4075

"To: Oregon State Treasurer and Legislature,

I am urging you to vote YES on the legislative package to assist the Bay Area Hospital, including House Bill 4075. After several months of implementing a turnaround strategy, the Hospital has shown that it can be a sustainable part of the community but challenges remain.

The alternative is to do nothing, but this risks the economic health of the region as well as local lives. It means an estimated 2,089 more patient transfers and 182 preventable deaths per year.

I'm hoping you will stand up in favor of the Bay Area Hospital.

From,"
