HB4075

"Hello Oregon State Treasurer and Legislature,

PLEASE support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

If we do nothing this Legislative Session, the community will be facing significant economic and healthcare impacts, including the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Please do what you can to save the Bay Area Hospital.

With regards,"
