HB4075

"Hello State Treasurer and Lawmakers,

The Bay Area Hospital needs your assistance and SUPPORT for its restabilization plan, including the H.B.4075 plan for refinancing. The Hospital's ongoing sustainability has been proved out through months of performance improvements, though assistance is still needed.

Doing nothing means Bay Area will likely downgrade to a ""Type B"" facility, meaning less services for local residents and an increase of \$27.2 million per year to the State as a result of reimbursement changes and increased Medicaid payments.

Your support of the Bay Area Hospital is needed now.

Sincerely,"
