Measure, Appointment or SB1599

Hello my name is cindy I'm a senior citizen, the cost of living here in Oregon is getting higher and higher. It is becoming very hard for me to meet the bills that I have now. To get some relief I'm hoping the election for SB 1599 can go ahead in the fall as planned. The jerrymandering that is being tried by this legislature is very sad indeed. This needs to be Furter scrutinized by many of the voters in this state. If the vote is to be taken

in November and that was agreed on by thousands of citizens then in good faith it needs to be left as originally sanctioned. sincerely cindy grenvik
