

Submitter: Eileene Gillson

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or Topic: SB1541

Senate Natural Resources and Wildfire Committee,

Our environment must be protected for the sake of all life on this planet. That's why I support the creation of the Climate Resilience Superfund, to hold polluters accountable by making the large, out-of-state fossil fuel companies pay their fair share.

Pass SB 1541 and finally make these polluters pay for the damage they've done to communities across our state.

Eileene Gillson
