SB1599

When I signed the referendum to put the transportation tax on the ballot for voters to choose, I wanted it on the general election ballot so more voters would vote on it. To now change it to the primary is totally against what referendum voters wanted. Putting it on the primary ballot is an attempt to disenfranchise Oregon voters. Do not let this happen. Stop SB 1599 and let the voters in the general election decide. This is anti democracy at it's worst.
