We signed a legal petition stating that this would be put up for a vote in November. That is what we all agreed to. To do anything else, like change the date of the vote should not happen. Otherwise, why even vote? If the legislators won't even listed to the voters, we don't have a vote at all. Then this isn't a democracy, it is a totalitarian form of government. We filed a petition that everyone agreed to. Live up to that agreement. Andre Stefansky
