I strongly oppose HB 1599. The people of Oregon spoke loudly in opposition to the gas tax by gathering 250 thousand signatures. We are entitled to vote on it in the November election on the same ballot as Governor Kotek. She's trying to run for another term & wants the gas tax vote moved to May where historically there are less people voting. What a sore loser she is! We are entitled to vote on this ludicrous gas tax bill in November!! She cannot continue to be allowed to do whatever she wants with no consideration to Oregon citizens she is supposed to serve. The people of Oregon have spoken - stop moving dates around to help save Tina Kotek's tyrannical gas tax bill. We demand the gas tax bill be on the November ballot.
