I am strongly opposed to the Governor and her minions trying to usurp the wishes of the 250,000+ voters who made their wishes known to have her "gas tax" bill put on the NOVEMBER ballot. It should be illegal and is definitely immoral to do anything else with the referendum.

We've had a very mild winter so ODOT should have plenty of left over funding this winter. Even if it hadn't been, I still feel the ballot should be voted on in NOVEMBER.
