

Submitter: Kathryn Fox
On Behalf Of: myself
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB4113

I'm opposed to House Bill 4113 which would ruin public access to this area and once again ruin habitat for wildlife. this is another sneaky way to get around the land use laws that were put in place for a good reason. If we keep chipping away at the wild lands in Oregon, there won't be any and it will look like someplace back east that once had miles and miles of forest and grasslands.
