Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SJR203

I am definitely in favor of resolution SJR203, "No Secret Police". Citizens and legal immigrants throughout the US are targeted by these thugs wearing no ID, staying masked, and carrying guns which they seem all too quick to use. If SJR 203 may become law here in Oregon, we might all breath a little easier. Please pass this resolution.

Thank you Representative Tom Andersen for giving me this opportunity to voice my support.
