Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic:

SB1599

We worked so hard to get this referendum signed and submitted. And my so many people. We deserve to have it on the ballot in November and not rushed for the May primary. We could have gotten more signatures if we didn't have the short deadline the governor gave us from her delay. Let us have a say in something please. It should always be about the people. Thank you.
