Why do the democrats HATE American and laws?

We OVERWHELMINGLY opposed the original transportation bill by 90%, yet you passed it anyway and then the governor took it's sweet time to sign it, trying to 'run out the clock' so there wouldn't be enough time to gather the required signatures for the referendum.

Fooled you!

Over 225,000 people of ALL parties signed the referendum to vote on the transportation recall in the November general election

Now, you DISGUSTING democRATS want to move the vote up so that it won't make you look bad in the general election.

The Oregon Constitution is clear, it MUST be in the general election!

When are you democRATS going to figure it out that the Citizens have had ENOUGH of your games and tricks!

You keep importing illegals to vote for you and then LIE and claim they aren't!

I am sick to DEATH of democRATS and your games and have started liquidating all of my properties to move out of this (formerly) great state!
