Chair Marsh, Vice-Chairs Breese-Iverson and Andersen, and Committee members:

I am writing today to ask you to oppose HB 4113. As a resident of central Oregon, my family values the opportunities to spend time in the pristine nature that makes our state incredible. I've taken my kids to hike the length of the Metolius near Camp Sherman every year of their lives - it's a sort of spiritual pilgrimage for us. I value the land use principles that help keep our environment healthy, and want to see them upheld.

This bill would benefit one private stakeholder at the expense of our land use system and the hundreds of thousands of Oregonians that call this beautiful state home. You have many other pressing priorities to attend to, I'm sure, so I hope you will quickly reject HB 4113.

Sincerely,
