Joint Committee Members,

Please don't change this referendum. The people have spoken on this petition and the date they wanted the vote to be held on. The democrats keep trying to change the rules. The people in this state are really starting to be fed up by the antics of the ruling party. The state is starting to go downhill in comparison to other states in the region. More and higher taxes are starting to drag businesses down. People are tired of the antics of the democrats and their leadership in Oregon.
