2026-302  
Measure, Appointment or  
Topic: SB1599

We, more than 250,000 citizens, signed a petition that stated it will be on the ballot on November 3,2026.

When the SOS accepted those signatures as valid, he created a document to be placed on the ballot. Our referendum stated..... November 3,2026. We, the people, now have a contract with the SOS and that contract should be legally binding. Any changes to that contract should be made by mutual agreement. With the time constraints to getting comments in the voters' pamphlet we do not agree to the change.

Respectfully,

Wendy Mogstad
