Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I oppose SB1599 because it's political puppetry and another deceitful move by our state government. The people showed up in droves to adamantly oppose the ODOT bill. Instead of listening to the constituents, SB1599 is a backhanded power play to try to keep turnout low, because the governor already knows what the people want. Shame on her.
