On Behalf Of: Mr Oregon OPPOSES HB 4059
Committee: House Committee On Early Childhood and Human Services
Measure, Appointment or Topic: HB4059

I OPPOSE [HB 4059].

My eyes were abused by reading [HB 4059].

[HB 4059] creates many layers of government investigations any one of which nullifies the claim of abuse.

[HB 4059] had to have cost the taxpayers plenty to research all the "Oregon Revised Statutes" used to construct this serious example of nonsense.

Oregon taxpayers should be genuinely upset at the money spent on Early Childhood Services.

The disabled and severely disabled children, life is hard enough for them but being systematically abused and receiving no relief is damnable and should have serious consequences for the abusers.
