Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

The people of Oregon clearly stated via referendum that their wishes are to have the vote for the transportation package on the November General Election in 2026. Not only is this transportation tax a bad bill, it has been underhandedly moved through the Oregon Legislation both by the representatives of the citizens and then by the Governor. You should respect the will of the people and vote NO on this bill as it is again another attack on the voters.
