Topic: SB1599

I oppose SB 1599.

When the Oregon voters signed over 250,000 times for a referendum on the transportation taxes- the signed for the referendum to be on the NOVEMBER ballot. Not the May ballot.

If you move this referendum vote to the May primary election, you are all once again proving to the Oregon taxpayers that you don't listen to us. We made it known that the transportation package was a bust while you were in session. We made it known that the transportation package was a bust in your "emergency" special session. Stop playing your political games and LISTEN to your constituents like you are supposed to.

We signed for the November ballot, you need to keep it on the November ballot. The taxpayers of Oregon are fed up!
