Dear Joint Special Committee on Referendum Petition 2026-302,

I oppose the special election proposed for this referendum and ask that you keep it on the November ballot. Both my wife and I signed the petition to bring this tax increase to a vote by all Oregonians. It was posted on the petition that the election would occur in November. There is no reason to go back on this promise. I consider this whole process to change the date of this election to be an absolute waste of time and taxpayers' money. Please do not pass this legislation, as it is a slap in the face of the tax-paying citizens of Oregon.

Thank you for your consideration.

Sincerely,
Mr. Paul Alexander
