Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing today to ask you to oppose HB 4113. All Oregonians value the land use principles that help keep this state healthy environmentally and economically.

Upholding the land use system is key to both. This bill would benefit one private stakeholder at the expense of the land use system. Oregon residents have subjected to land and water use abuses by large land owners too long. It's time for a more equitable use of both the land and the water. This TDO has been extended five time already and the holder has been unable to begin work. Please reject HB 4113.

Sincerely,

Robert Kuntz
