Topic: SB1599

I took time out of my busy day to drive to town to sign the petition for the referendum. I expected it to be on the November 2026 ballot. Oregonians deserve this referendum to be on the November 2026 ballot where the most people will show up to vote on it. Sneaky dealings here trying to place it on a primary ballot. I submitted testimony opposing the transportation bill prior to the referendum also. I saw the huge number of testimonies in opposition to this bill and saw how our elected officials and the governor ignored the people and went ahead with the bill anyway. That action drove this referendum. Give us our fair shot.
