Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:
I am writing to you in strong opposition to HB 4113. It's very concerning that this bill
would allow development to be exempt from compliance with Oregon land use law
and wouldn't allow for any public input or comment in the county siting/approval
process. The bill also allows for county sprawl that would violate several goals
involving Citizen Involvement, Land Use Planning, Agricultural Use and Forest Lands
just to name a few. The goals and land use laws were set up for good reason and
this bill allows for those to be ignored. I strongly urge you to oppose HB 4113.

Thank you.
Becky Stephenson

Sincerely,
